Appendix 1

Frampton Cotterell Climate & Nature Plan Ideas

Below are some ideas that have arisen that could be considered in the Parish Council 3 year plan and Climate & Nature Emergency Plan. The Climate & Nature Group want to hear from you about what you think of the below ideas and what else you think should be considered in the plans.

Climate emergency plan

Either create one or add to the Parish Council 3 year plan

Community involvement

Recruit volunteers, schools, local groups, adjacent villages, businesses etc to be involved.

Storage Batteries

To capture excess solar at the Bockeridge and the Pavilion

Community EV charging points

To consider installing electric vehicle charging points around the village.

Wood carving

To commission a wood carving for the Cent Field that doubles up as a bug hotel. Involve young people in the design.

Nature treasure hunt

Put QR codes on trees, scan for info on plants/animals in area.

BioBlitz

24 hr for all ages with experts to help record plants, animals, tracks, signs.

Wildlife photography competition

Accessible, all abilities and ages

B-Line national project

Work with Frampton Floral Friends to plant wildflower connections

Outdoor church service at Centenary Fields

Engage with nature.

Volunteer group for nature

Develop group - Wild Frampton Cotterell. Work with Village Action. Help plant trees, flowers, wildlife walks

Nature spotting app

Develop app. Potential to work with UWE.

Climate emergency

Council declare an emergency once climate & nature plan begins to form.

Plastic free/waste

To work with Plastic Free Frampton Cotterell.

Other ideas – we want to hear from you!
