

# Our Ethos

## Improve Quality of Life

To improve the overall quality of life for all residents in the parish through the promotion of social, environmental, and community values.

## Equality

To work together with members of the community regardless of age, disability, gender reassignment, marriage and civil partnership, race, religion or belief, sex, and sexual orientation, and to make decisions fairly and inclusively with the resources available.

## Pro-active Community

To promote a proactive community by encouraging the involvement, engagement, and empowerment of the individual in addressing local needs.

To invest in young people by providing support from youth service partners, and offering a safe space to have fun, learn new skills, and have a voice in our community.

## Invest in Young People

To create an open dialogue for proposed projects, and to seek the input of councillors, employees and the community from the ideas stage through to implementation and completion.

## Open Dialogues

To be transparent with spending and resources, aiming to deliver cost effective projects and services which benefit local residents.
