CLIMATE & NATURE

FRAMPTON COTTERELL
PARISH COUNCIL

ABOUT OUR COMMITTEE

In-person committee meet quarterly – all welcome to apply to become a non-voting member.

Local Environment Action Frampton (LEAF) online meetings – all welcome.

2022-2023 ACHIEVEMENTS

Image:Volunteers conducting meadow monitoring at Centenary Field in July 2022.

Reached 50 volunteers – welcoming more!

City Nature Challenge BioBlitz 2023

Planted over 500 wildflower plug plants and 400 trees with volunteers

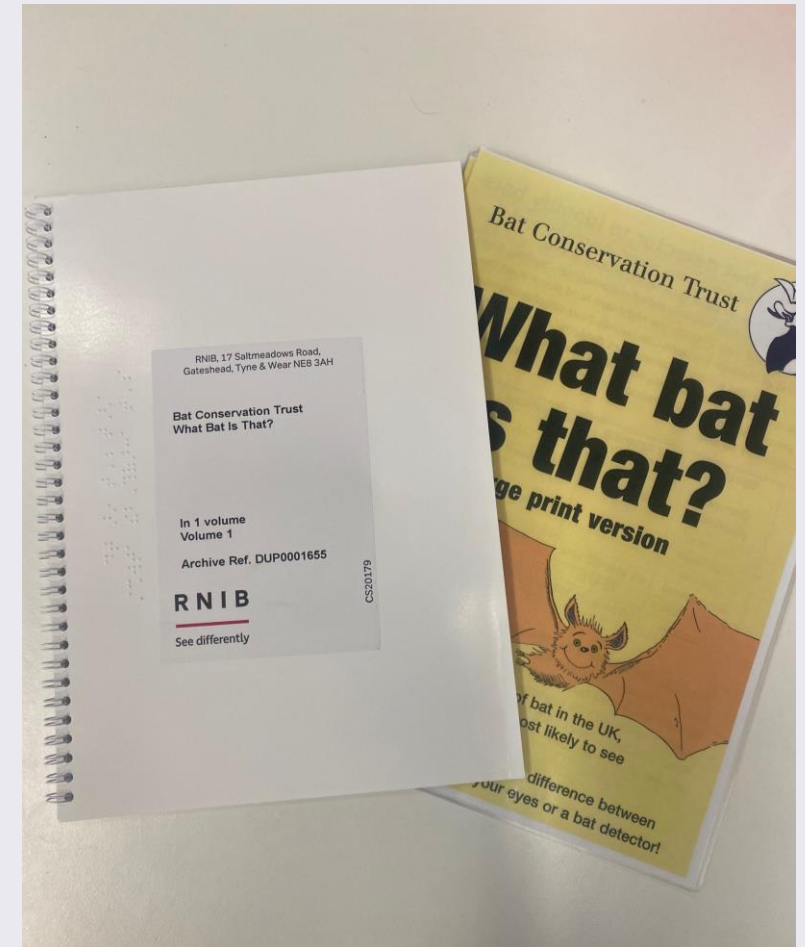

Meadow monitoring survey with volunteers at Centenary Field

Installed x2 new water refill stations at Centenary Field and Brockeridge

Bat Roost and Bird Nesting policy approved and much more!

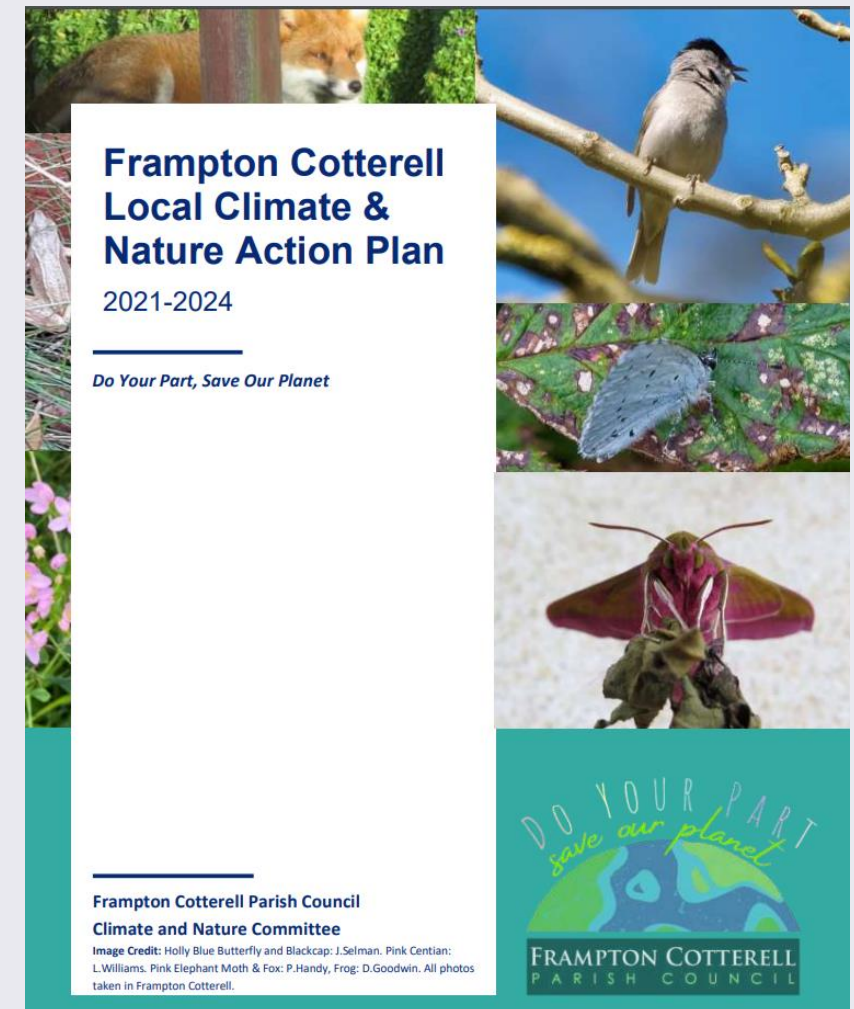

CURRENT/UPCOMING PROJECTS FOR 2023

- Wildlife Pond Centenary Field
- Inclusive bat project – BSL and Braille
- Wildlife equipment loan scheme (moth trap and bat detectors)
- The Park Conservation plan – volunteering opportunity
- Monthly wildlife volunteering (2nd Saturday of the month)
- Joint Hedgehog Working group with Westerleigh Parish
- Hedgehog Heroes Event on 2nd June 2pm
- Plans to work with Frampton Cotterell Nature Group to create a wildlife garden at Brockridge

CLIMATE & NATURE ACTION PLAN 2021-2024

- Aims, stakeholders, mapping and project lists
- Includes link to species lists from Frampton Cotterell Nature
- Includes link to ecological report from Cllr J Selman
- Read the full plan on <https://framptoncotterell-pc.gov.uk/climate-nature/>

CLIMATE & NATURE CONSIDERATIONS....

- Hedgerows and land management (nature based solutions for climate change)
- Sewage in rivers – recent storm drain works across the village
- Litter
- Pollution & energy

WE WANT TO HEAR FROM YOU

- Feedback and ideas welcomed
- Contact nature@framptoncoterrell-pc.gov.uk or 01454 864442
- All welcome to comment, join in with LEAF meetings or volunteering
