

# FRAMPTON COTTERELL COMPUTER GROUP

## REPORT TO THE ANNUAL MEETING of the PARISH COUNCIL

2023

The computer group has come through the very difficult days of the 2019 Covid Pandemic and is continuing to help those members of our community who come in and make use of our facility.

We are reliant on our Committee members and Volunteers who have remained loyal to the cause. We shall, from time to time, need to recruit new people depending on the numbers attending.

We run sessions on Tues, Wed, & Thurs, each week from 9.30 – 11.30 am. as in past years – and still @ £2.50p. per. session.

Anyone who needs help with PC's, Laptops, Mobile Phones, I'Pads etc. can come along and one or other of our volunteers will help on a one to one basis – for as long as it takes.

We do advertise but many of our contacts are as a result of "Word of Mouth" recommendation so please pass on the message to anyone who you think may benefit.

The Group has now completed 23 years of service to our community and we hope to continue to do so in the years ahead.

Keith Powell
