

## The Courts Development Working Group Meeting 10<sup>th</sup> October 2023

### **Present:**

Tristan Clark FCPC (Chair)

Linda Williams FCPC

Alan Lankester FCPC

### **1. Apologies**

Martyn James (FCRFC)

### **2. Election of Chair for the meeting**

It was unanimous that Tristan Clark assumes the Chair for the meeting

### **3. Notes of the meeting 14<sup>th</sup> June 2023**

The notes had been circulated and were accepted

### **4. Multi Use Games Area/Wheels Skate Facilities**

Discussion took place on how best to consult the youth of the parish and

It was **Recommended** That the

- Council request FACE to roll out the existing survey, to include locations of pathways, whilst deleting the Tennis Court part of the survey, to as many young peoples' groups and Schools as possible.
- Council agrees a fee for the commission of this work

### **5. Pathways**

Referring to minute *FC.28/09/2023-11* of the Parish Council, it was agreed that Cllrs Clark and Williams meet with the Project Officer on site at The Park to determine the route of the pathways for consultation with the public.

### **6 Cricket Nets – Application from Frampton Cotterell Cricket Club**

Following application from Frampton Cotterell Cricket Club to install cricket nets at The Park

It was **Recommend** That the

- Council approves the application for cricket nets to be sited on its land at The Park, as previously indicated adjacent to the Tennis Courts (Option A) *see below*

- That the Council write to the Cricket Club and explain that the Club will be responsible for the project, funding to implement the project, liaison with the Planning Department and with Planning Officers as required etc.,
- Cricket Club inform the Council of its final plans, when known, before any work starts
- Cricket Club seek Councils' permission for any works access onto and off the site
- Council will take no responsibility for this project
- Cricket Club be informed of the pathway project to ensure the siting of the nets takes this into account.

## 7 Section 106 Funding (Capital/Revenue drawdown split) – Tennis Court Refurbishment

The working group agreed to apply for the following Capital and Revenue to cover the next two years.

- It was **Recommended** that Council apply for the following:

<b>Capital</b>	
Grant recipient Contribution	£78,047.82
Retaining an existing gate and installing a lockable access control system	(£2,400)
Connecting the access control system to Clubspark (or the LTA's preferred booking system from time to time)	(£100)
<b>Total Capital</b>	<b>£75,547.82</b>
<b>Revenue</b>	
Procuring and maintaining the supply of (unlimited) access codes to the Local Council for no less than five years so that these can be made available to end-users to access the tennis facility having booked via Clubspark (or the LTA's preferred booking system from time to time; to be priced on an "annual basis"	£156 p/a x 2
SmartAccess Entry Four Year Maintenance Programme	£380
