A **MUGA** is an all-year-round **Multi Use Games Area**.

Basically, it's one space where lots of different sports and activities can be played. MUGAs can be used for football, volleyball, basketball, hockey, badminton, and more!

The Parish Council is considering installing a MUGA where the Basketball Courts are at the moment.

## PUMP TRACK

A **pump track** is a purpose-built track for cycling. It has a circuit of rollers, banked turns and other features for riding bikes around. Originally designed for the mountain bike and BMX scene, pump tracks are now also used for skateboarding, as well as being accessible to wheelchairs.

The Parish Council is looking into whether it would be possible to install a Pump Track at The Park. Before we do more practical research (e.g. will a pump track even fit anywhere at The Park!), we'd like to find out what you think of the idea!
