

Chairman's Report

Frampton Cotterell Over 50's Computer Group

We currently have 17 attendees on our list but would really need more (if we can get a larger number attending it would help to keep our finances going on longer moving forward).

Our sessions continue to be well supported by you, our Volunteers, which is encouraging for the committee. It is good that we continue to get some support from the Parish Council, who set the Group in motion in 2000. We will continue to hold our sessions Tuesday, Wednesday and Thursday each week as long as we have people who wish to attend..
