Dear Frampton Cotterell Parish Council

Exciting Times Ahead for Frampton Cotterell Rugby Club

Firstly, I'd like to extend a sincere thank you to Steve and the Parish team for all their hard work and dedication throughout the season. Your continued support has been invaluable to the ongoing success of our community rugby club.

The planned development of the Old Changing Block presents a fantastic opportunity—not just for the future of Girls' and Ladies' Rugby, but for the wider local community. Fingers crossed that progress is just around the corner!

Frampton Cotterell Rugby Club continues to thrive, offering rugby for all—from age 5 through to 18—with both Girls' and Boys' teams welcoming players of all abilities. Our youth section proudly supports around 270 young players, with over 85% coming from the local community. Rugby plays a vital role in engaging young people and supporting mental health.

A special mention must go to our incredible Mini & Youth section. Their dedication and passion have been instrumental in sustaining and strengthening our senior teams. Thanks to their efforts, we continue to field three senior sides on a regular basis—a true testament to the club's community spirit and ongoing growth.

If you have any questions regarding the Mini, Junior, or Senior teams, please feel free to contact me directly. I'd be happy to help.
