

FRAMPTON COTTERELL COMPUTER GROUP
REPORT TO FRAMPTON COTTERELL PARISH COUNCIL
ANNUAL PARISH MEETING

May 2025

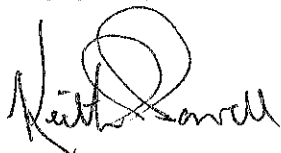

The group continues to meet at the Bockeridge Centre (As it has since its inception in the year 2000)

Meetings take place on Wednesday and Thursday mornings from 10.30 am. until 11.30 am.

Volunteers continue to give a service to the community and give help and assistance with the use of PC's, IPads and Smart Phones as required.

Despite a reduction in attendance our volunteers continue to work with enthusiasm and are always pleased when new people come in for assistance or to learn more about computers and their use.
