1. Notes of the Courts/Play Area(s) WG meeting 22nd April 2025

The notes had been previously circulated and were accepted

2. Project – Ball Games Court

The group were informed that funding in the amount of £20,000 had been won from the Lottery Communities Fund to go towards the project.

The group were presented with updated graphics from the contractors since requesting more information from the last meeting and **recommended Contractor 2 Option 1 & Contractor 4 Option 1** be put forward to the Parks and Recreation Committee for approval and recommendation to Council. Each contractor had signed up to the Councils' Environmental Policy.

3. Project – Pathways Solar Lighting

The working group were presented with the recommendation from the Climate and Nature Committee, and it was agreed to investigate the project further and follow the recommendations made by the Climate and Nature Committee.

4. Youth Hangout Area

The group were presented with a specification and tender document for approval, and it was **recommended** to request Parks and Recreation Committee approve the document to include a few minor amendments and set dates to take the project forward.

5. Date of Next Meeting

TBD
